Paper submission

Submission of papers will be done through [EasyChair](#), the most commonly used conference management system that is flexible and easy to exploit. The conference submission link is: [Submission site](#).

All papers must be original and not simultaneously submitted to another journal or conference. Prospective authors are invited to submit their papers (4 to 6 pages) in English, in two-columns according to the IEEE format ([See IEEE template](#)). Page 1 must hold the title of the paper, the authors' names, affiliations, mailing addresses, e-mails and abstract with up to five keywords. The double-column simple spaced paper should be submitted in MS-word or PDF format.

If you have any problems submitting the paper, please contact: ispa.conference@univ-mosta.dz.

Publication of Proceedings

Registered and presented papers will be published in proceedings that will be indexed on [IEEE Xplore Digital Library](#). Authors of selected outstanding papers will be invited to submit extended versions of their articles for publication as full WoS journal papers (in the 2018 release of JCR, Clarivate Analytics). Awards will be given to the best papers in two categories: the best oral presentation and the best poster.
